

The map displays a residential area with various parcels. A parcel is highlighted with a blue hatched pattern. The map includes a scale bar (0 to 20 meters) and a north arrow. The text at the bottom indicates the map is based on the WMS - KM © ČÚZK and uses the S-JTSK Krovák East North coordinate system.

A detailed map of the Havlíčkův Brod region. The map shows several towns including Letná, Kokořín, Vážany v Kolonie, Ze Klasterech, Horní Žizkov, Pohled, Dvořecko, Dolní Žizkov, Svatý Ústí, and Vysočany. A red square marks the specific study area located between Kokořín and Ze Klasterech. Major roads are shown as yellow lines, and water bodies like streams and ponds are depicted in blue. Elevation points are marked with numbers like 481, 457, and 637.90.
